FAQ

1. How do I apply for the Bitget affiliate program?	Register a Bitget account using our affiliate link, then click Apply Now and submit the application form. Our team will review your application and approve it if eligible.
2. Who can become a Bitget affiliate?	Anyone with a social media audience, trading community, or online presence can apply to join the Bitget affiliate program.
3. Do I need to pay a fee to join?	No. The Bitget affiliate program is completely free to join.
4. Do I need a large audience to become an affiliate?	No. Even small communities, trading groups, or personal networks can participate in the affiliate program.
5. What platforms can I promote Bitget on?	You can promote your referral link on platforms like Twitter, YouTube, Telegram, Reddit, blogs, or websites.
6. When are commissions paid?	Commissions are calculated daily and paid out the following day.
7. Where can I track my commissions?	After becoming an affiliate, you can track referrals, trading volume, and commissions through the Bitget affiliate dashboard.
8. How do I withdraw my commission earnings?	Commissions are paid to your Bitget spot account, and you can withdraw your assets at any time.
9. Is there a limit to how many users I can refer?	No. There is no limit — you can refer as many users as you want.
